1. About this Website

1.1. Starke-DMS document portal

This website is to be developed into the central source of information and contact point for all questions and support services relating to our **Starke-DMS®**.

The **Starke-DMS® Dokuportal** will thus be gradually developed into a *support and collaboration platform* in addition to its main task (providing up-to-date, electronic documentation).

1.2. About Starke-DMS

With the **Starke-DMS®** (document management system), which we have been developing for over two decades, you can easily archive, manage and control your documents digitally.

From e-mails to delivery notes, invoices etc. to contracts, everything is centralised in one system.

1.3. About Starke+Reichert

The company **Starke+Reichert GmbH & Co. KG** is an IT system house, software manufacturer and office planner with more than 120 employees in Kassel in northern Hesse.

The entire STARKE group of companies is represented in 4 locations in Hesse, Thuringia and Switzerland.

1.5. More info

1.5.1. > #news

Find out more ...

1.5.1.1. We are celebrating our anniversary!

70 years of development and progress at Starke+Reichert.

Since 1954, we have been proud to offer our customers innovative digitalisation solutions and IT products as well as ergonomic, modern office furniture. We would like to thank all our customers, employees and partners for their trust and support on this exciting journey!

Here's to another 70 years of success and growth.

1.5.2. > Advice and contact

Find out more ...

Starke-DMS® is a modular, commercial software offering with a long history of development.

- Its effective use in small and medium-sized companies, in a wide range of industries and as a building block of sometimes quite complex digitisation strategies, usually requires some preparation or advice from us or our DMS partners.

1.5.2.1. Further information

As an **interested party** without a licensed installation of Starke-DMS® and therefore without a login for this documentation portal, you are welcome to browse the publicly accessible pages.
